

Copper Stamped Earrings: Punch, shape, file and stamp your earrings with letters, numbers or designs.

Steampunk Jewelry: Gather your watch bits, chain, charms, wings ribbon and more and create your own steampunk style.

Upcycle Aluminum: Punch out daisies, leaves, spirals then stack em with beads and charms into your own colourful earrings made out of cans.

Feather Earrings: Make your own beautiful, colourful, multi-layer feather earrings including using charms chain and more.

Halloween Jewelry: Spooky earrings or a bracelet!

Wire Wrapping: Learn the techniques of free wrapping stones and beads into a pendant and learn to wrap those itty bitty beads into your earrings and such. Class includes \$5 in beads and a spool of wire.

Precision Wire Wrapping: Create a precise wire setting for your stones and cabochons. Class includes 2 cabachons and a spool of square wire to take home.

Beading Basics: Class includes everything you need for your projects—beads, wire, tools, clasps, crimps, toggles, and more. Design and create your project and/or focus on what's important for you to know & learn.

Glass Beads: Play with flame and molten glass to create your own beads!
